The Bowling Green State Normal College

The Bowling Green State Normal College is a member of the North Central Association of Colleges and the American Association of Teachers' Colleges, and offers to students superior advantages for higher training at a minimum expense.

Two-Year Diploma Courses

Diploma Courses consisting of two years of work in advance of graduation from a first grade high school are offered in the following subjects:

Agriculture
Commercial Education
Home Economics
Elementary Education
Industrial Arts
Music

A REAL COLLEGE

The same entrance credit and standards of work are required as in the older colleges. All the usual student activities, such as athletics, woman's league, debating, etc., receive special attention. Inter-collegiate literary contests and athletic sports are prominently featured. A high class entertainment course is provided, and the social needs of students are carefully looked after. The physical and moral welfare of students is properly safeguarded, and the regulations of the institution are stimulating and wholesome.

Fall Semester begins September 17, 1923.

For further information, address

H. B. WILLIAMS, President.

Standard Four-Year Degree Courses

These courses provide thorough training in Liberal Arts Subjects and permit special emphasis upon a major and minor subject.

Special Programs of Study

Students who have decided upon a profession or occupation such as Engineering, Commerce, Journalism, Law and Medicine, may profitably complete two years of their training in the Normal College, and others who wish the A. B. degree will find three years of acceptable work.

JUNIOR CLASS

The Junior Class this year is the largest in the history of the College. The members of this class have taken a very active part in the life of the College.

They first came to the foreground as a class in November when they were represented in the Home-Coming Parade. One of the important parties of the year was the Junior-Senior Formal. The evening was made one of pleasure for everybody.

In all the musical, athletic and literary activities of the College the juniors have shown their ability and willingness.

The crowning event of the year was the Junior Dinner, given May 12th. By setting this precedent the Juniors of this year have made it possible for the Juniors of the coming Junior classes to get together at the close of the years and create that spirit that makes for co-operation for greater school service in their Senior year.

Mr. Clutts asked Miss C. a question. He waited a few moments for a reply and receiving none asked: "Why didn't Miss C. answer absent a few minutes ago?"

 Vice-President Ray Vermilyea
 Secretary-Treasurer Helen Hobert

SOPHOMORE CLASS OFFICERS

President Gertrude Fries
 Vice-President Onnolee Hipp
 Secretary Katherine DeVore
 Treasurer Lester Bower

FRESHMAN CLASS OFFICERS

President Jonathan Ladd
 Vice-President Eleanor Shatzel
 Secretary Eulalie Hoffman
 Treasurer Hayden Olds

ALUMNI DAY

Every Alumnus and former student should plan to be in Bowling Green on Alumni Day, which comes June 13, 1923. This is one of the best times of the year for all the friends of Bee Gee College to come to their Alma Mater for a day of fun and friendship. Great plans are being made for this day and every event will be of interest.

According to present plans there will not only be the big Alumni Banquet but also a number of other features. The Senior Class, led by its President Doolen Bain is planning to plant the class tree that day or to have another fitting ceremony. The Sophomore Class is planning to have its May Dance on that day also. Other plans will no doubt be announced before the day arrives, but it is at least possible to predict that this Alumni Day will be one of the most enjoyable in the history of the College.

Every Alumnus will welcome this opportunity to come to his Alma Mater to meet old friends and to see how the College is growing, both in numbers and equipment. Let's go, Alumni, for a great Alumni Day 1923!

DEGREE SOPHOMORES

Top Row—left to right—Ernst Etoll, Charles Clark, Maude Lantz, Marjorie Dunipace, Mable Andresen, Sophia Bice, Margaret Holloway

Bottom Row—left to right—Dale Hillard, Isabel Layton, John McDowell, Gertrude Fries, Laura McMasters, Earl Davidson, Myrna Insley

WIN ONE CLUB

The Win One Club, under the direction of President Lake and Faculty Adviser, Dr. Kohl held the first annual Home-Coming on last November 4. The day was a complete success from every viewpoint. There was a meeting in the Auditorium to start the day for the purpose of making everybody welcome. In the afternoon there was a big parade, the football game with Toledo U. with its crowd of over 2000, group meetings, and a party in the evening.

The next Home-Coming will be held November 10, 1923 at which time there will be a meeting, parade, football game with Ashland College, banquet, group meetings, and party. Everybody should plan to attend this Home-Coming.

The new officers are: President, Donnal V. Smith; Vice-President, Helen Hobert; Secretary-Treasurer, Robert Slaughterbeck and Faculty Adviser, Prof. O. P. Clutts.

The purpose of the Win One Club is to win students for Bee Gee by encouraging students and alumni to work for the growth of their Alma Mater.

THE COLLEGE ORCHESTRA

The first Bowling Green Normal College orchestra was organized early in the fall of 1922. Rehearsals have been held on Monday evening of each week, with sectional meetings on Tuesdays and Wednesdays. The Orchestra has assisted at the college chapel service regularly. In addition to the usual orchestral equipment, the college has purchased a viola and a double-bass, and will add other instruments as they are needed. The members of this pioneer group are Gerald Crowl, Donelda Myers, Margaret McGann, Frances Kurz, Gladys Bown, Erma Bobb, Harlan Beard, Ora Johnson, Clifford Fairbanks, Estel Mohr and Mr. McEwen.

The purpose of the orchestra is to grow and develop until it can represent correct ideals in instrumental music for the college and community.

TREBLE CLEF CLUB

The Treble Clef Club meets every Tuesday from 4 to 5 for the study of the best in chorus music. The club is to give a concert soon under the direction of Mr. Tunncliffe. The annual "Snow Party" was given by the club on February 24.

Miss Kathryn Fast is president of the club, Betty Hull is secretary-treasurer and Emily Benson is chairman of the social committee. Mr. Tunncliffe, the director, has been greatly assisted by the accompanists, Miss Eleanor Shatzel and Miss Ethel Cupp.

THE MEN'S CHORUS

The Men's Chorus has been meeting this year for study of men's part songs. The only public appearance of the club was at the Christmas Party where it sang the Hallelujah Chorus together with the Treble Clef Club. Next year the club will sing more in public and the men of this group should form the backbone together with the Treble Clef Club for the Festival Chorus. The men have been very faithful in rehearsing and under the able direction of Prof. Tunncliffe have made great progress.

One of the handicaps of this college has been the shortage of boys. This is the first year that there has been a sufficient number of good men's voices in college to have a worthy chorus. Out of the more than 150 boys in school this year about twenty-five have attended the Men's Chorus Rehearsals.

Next year there should be at least two hundred and twenty-five boys in school which will permit a Male Chorus that will compare favorably with any chorus of a college the size of Bee Gee.

A thing that also augurs favorably for next year is the faithfulness of the members of this group. Almost every man could be counted on for every rehearsal and this, together with Prof. Tunncliffe's efforts, made progress possible.

MEN'S CHORUS

Standing—left to right—Holloway, Shearer, D. Smith, McWhirter, Witte, Lake, Mohr, Shadle, Haus, Moore, Stapleton
Seated—left to right—Bone, Current, Prof. Tunncliffe, Crowl, Premo, Bower

MALE QUARTET

Shearer, Premo, Witte, Lake

MALE QUARTET

The Varsity Male Quartet this year was composed of the Messrs. Shearer, Premo, Witte and Lake. The quartet is directed and accompanied by Prof. Tunncliffe. It has sung at numerous entertainments, banquets, commencements and the like in college and in the surrounding district. The quartet does the best of quartet music together with numerous humorous and popular numbers. Each member of the group is a soloist of ability and this adds variety to its programs.

The quartet, assisted by Miss Kathryn Fast, soprano, is to give a recital before the close of the year. The quartet was organized three years ago and since that time has made great strides in its work. The quartet gave a program at Luckey, on December 12th and was a decided hit.

The quartet also sang at the Bradner commencement and during the last month of school filled several engagements each week.

The members of this quartet also do excellent solos. Clement Premo, who sings second tenor, Lloyd Witte, who sings baritone, and Ivan Lake, who sings bass have appeared as soloists at a number of college functions. Mr. Lake is leaving the quartet this year through graduation. Mr. Estell Mohr, a soloist of ability, will be in line for a place next year.

College Girl Elected Preacher

Miss Rena B. Ladd of Bowling Green, Ohio, a junior in Bee Gee College was granted a local preacher's license by the Toledo District Committee of the Methodist Church. Miss Ladd is planning on teaching next year but she will enter the Boston Theological School of Boston University ultimately.

WILSONIAN LITERARY SOCIETY

The Wilsonian Literary Society has enjoyed a series of excellent meetings under Presidents, Miriam Long and Ivan Lake. In March the society gave its annual Hard Times Party to the college. The officers for this semester are: President, Ivan Lake; Vice-President, Grace Chambers; Secretary, Leora Stout; Reporter, Laura Oberlin; Sergeant-at-arms, Mildred Whistler; Prosecuting Attorney, John McDowell; Representative to Women's League, Betty Hull; Chairman Music Committee, Estell Mohr; Chairman Literary Committee, Inga Nielson; Chairman Dramatic Committee, Gertrude Fries; Critic, Helen Hobert.

SORT O' BIOGRAPHY OF ADAM

by Ike Lake

This guy was lucky, or unlucky, enough to be the first one to fall for woman and all of his female relashun have been falling ever since. He is mentioned in "Who's Who in Eden" in which place he was known and popular.

His other name was mislaid by historians and it is not known whether he was Mr. Adam....., or Mr. Adam.

He was erected on the globe somewhere near 5000 B. C. or else 10,000 B. C. and supported himself by landscape gardening, etc. Little is known of his childhood, in fact it is believed he never wore one. He received a handicap later that always was around him in the shape of a revised talking rib. He lived happily for many years and then met his wife.

ENTERTAINMENT COURSE 1922-23

October 2—Thomas Chalmers, baritone.
 December 5—Lecture by Glenn Frank.
 January 25—Mozart's Famous Comic Opera, "The Impresario," with Percy Hemus and all star cast.
 February 10—Lecture by Tom Skeyhill, on "Europe of 1923."
 April 9—Concert by Maurice Dumesnil, eminent French pianist.
 May 16—Lecture by Stephen Leacock.

SOCIAL CALENDAR 1922-23

September 22—Reception.
 October 14—Victory Party; Athletic Boosters' Club.
 October 25—Hallowe'en Party.
 November 4—Home-Coming; Win One Club.
 November 24—Kick Off Party; Athletic Boosters' Club.
 December 8—Junior-Senior Formal.
 December 21—Christmas Party.
 January 12—Country Life Party.
 January 20—Freshman Party.
 February 16—Valentine Party; Emerson Literary Society.
 May—Girls' Prom.
 February 23—Snow Party; Glee Club.
 March 10—Sophomore Prom.
 March 16—St. Patrick's Party; Wilsonian Literary Society.
 March 23—Penny Fair; Women's League.
 April 20—Men's Hop.
 May 19—Reception to new Students.
 June 8—Recognition Day.
 June 13—Alumni Day.

INDUSTRIAL ARTS DEPARTMENT

On account of the increase in the number of students enrolled in the department and the addition of a new course of instruction plans are under way for the re-arrangement of the physical aspect of the Industrial Arts Department especially the Shop Room. A Tool House is to be built in and sheet metal equipment is to be added, thereby enabling the department to offer a course in Sheet Metal Work next year.

These additions and the re-arrangement necessitated by them will add greatly to the facilities of the department.

"Why the absent look?"

"Oh, I was just looking for some one who isn't here."

The Prof had written on the back of a theme, "Please write more legibly."

Next day—"Prof, what is that you put on my theme?"

EMERSON LITERARY SOCIETY

The Emerson Literary Society has enjoyed excellent meetings during the year, under the leadership of the Faculty Adviser, Miss Nielson and Presidents, Ruth Tressel and Ruth Lane. The programs included several debates and some studies of modern writers. At the Christmas Party the Society gave a dramatization of Dicken's Christmas Carol. The Valentine Party was also given by this organization. On May 22nd the Society gave a chapel program consisting of short talks on the folk songs of different countries. These songs were illustrated with the aid of the Music Department. The officers are, President, Ruth Lane; Vice Pres., Ruth Harris; Sec., Margaret Holloway; Treas., Mildred Luke; Chorister, La Rue Williams; Pianist, Ruth Tressel; Chairman Program Committee, Jonathan Ladd; Critic, Grace Clark; Reporter, Bertha Brinkman; Cheer Leader, Earl Leiter; Women's League Representative, Helen Young; Sergeant-at-Arms, Charles Housely.

Subscribe for the "Bee Gee News."

Tell the "Bee Gee News" about yourself and your friends so we may tell it to others. Let's be real chummy.

The Old Boy—"I'll bet Jimmy is marrying you for my money."

Flapper Daughter—"How absurd, Dad! He loves me on my own account."

EDITORIAL

With this issue of the Bee Gee News the term of the present staff expires. The staff wishes to thank those who have contributed toward the issuing of the paper this year. The Bee Gee News is growing slowly, and it is only with the cooperation of the entire college that it is able to do so.

The present staff also wishes to say a word regarding next year. The paper will no doubt be larger as the student body grows and may be issued oftener. This will make the work of next year's staff much harder. The college will need to continue to cooperate by contributing articles, jokes, etc. A college paper is no greater than the student body it represents.

The Editor wishes to thank Mr. Doolen, Mr. Bain and Miss Ruth Smith, who prepared the graduates' individual histories for this issue. This was a big job and these people did the work in fine shape.

The Editor appreciates the efforts of the staff and trusts their experience proves valuable to "The Bee Gee News." We are grateful for the past and enthusiastic for the future.

This souvenir issue of "The Bee Gee News" consisting of fifty-two pages, with about one hundred fifty pictures, has been made possible by the contribution of cuts by faculty and students, and the generosity of the business and professional men of Bowling Green, Ohio. By this cooperation every student has an attractive souvenir of the college, which is a factor in making for a larger and a better college.

"The Bee Gee News" is grateful to the many friends of the college, whose contributions of articles, cuts and advertising has resulted in the June issue of 1923.

RETROSPECTIVE AND PROSPECTIVE

The development of the Normal College is unusual, if not unprecedented. Most institutions of its type have had to be content with a slower growth both in respect to physical plant and enrollment. The Administration Building and Williams Hall were first occupied in 1915, and the number of students in residence for the regular academic year of 1914-15 was 175. The plant now includes four buildings and the central power house, and a new dormitory for women costing for the building alone \$184,500 is now under construction. The total enrollment for the current year, not counting spring, summer and extension students is 598. The first graduating classes numbered 35 diploma students; this year the graduates in degree and diploma courses will be around 115. The above figures suggest some of the tangible evidences of steady expansion.

There are still to be noted developments in standing among other institutions of higher learning and the establishment of a clientele throughout the territory which the College is designed to serve. Our degree graduates are admitted to graduate standing in the best universities, and under-graduates who transfer to other institutions receive adequate recognition for their credits. Favorable publicity and academic recognition are necessary foundations for staple growth, and in these matters it is gratifying to know that the College has built wisely and well.

The unswerving aim of the College has been to construct a physical plant that would be pleasing and enduring, and to keep its work abreast of the most progressive standards. That it has taken courage at times to hold steadily to the policy, goes without saying. Whatever has been achieved is due to the cooperation of faculty and students with the administration officers, and to the help and encouragement of state officials and the general public.

When we turn to the prospective view, we find cause for high hopes. While vigilant effort will be needed to provide for the increased number of students who will seek the benefits of the College, now that certain foundational work has been done, more attention can be given to the improvement and refinement of the methods of instruction and administration.

The most pressing problems now confronting the College are the need of increases in the faculty, additional recitation rooms, and adequate library accommodations. The appropriations for the next biennium, beginning July 1st, will make it possible to enlarge the facilities along all these lines, and thus make it possible to keep pace with the expected increase in enrollment.

It will be of particular interest to all friends of the College to know that the new budget includes \$285,00 for a new Library Building and Tunnel connections, and steps have already been taken to push the construction of this addition to the plant as rapidly as possible. Other appropriations provide funds for equipping the new dormitory, tunnel and sewer extensions, improvement of athletic field, and street paving. The institution can therefore pursue its policy of expansion and meet very satisfactorily the increased demands which will be made upon it during the next biennium. It wishes to thank its thousands of loyal friends for their support and encouragement and to bespeak a continuation of their cooperation in the years to come.

ALUMNI NEWS

Charles Clucas, Superintendent at Portage, Ohio, has resigned and will go elsewhere next year. Mr. Clucas is desirous of going to a medical school. Clucas was Editor-in-chief of the Bee Gee News for 1920-21.

Ralph Schaller, Principal of the High School at Waterville, has just finished a very successful year at that place according to all reports. Schaller was Editor-in-chief of the Bee Gee News for 1921-22.

Miss Esther Dowler, of Convoy, Ohio, was married during the year to Howard McBride, at Hillsdale, Michigan.

Dallas Lawrence, Principal at Lime City, Ohio, is now temporarily engaged in the printing business.

E. E. Leidy, Principal at North Baltimore, Ohio, is doing good work at that place. Mr. Leidy is an experienced school man who would be a credit to any system.

Clive Treece, Principal at Perrysburg, Ohio, has just finished a successful year there. Clive was Business Manager of the Bee Gee News the first year it was ever issued.

Miss Vesta Frey and Mr. Wesley Jones were married during the year at Bowling Green, Ohio.

Mr. and Mrs. De Orr Webster
announce the marriage of their daughter
Margaret Ellen
to
Mr. Ethan O. Fox
on Monday, May the Fourteenth
nineteen hundred and twenty-three
Put-in-Bay, Ohio

MERCER-HOWE

Quiet dignity and beautiful simplicity marked the wedding ceremony uniting Miss Jessie M. Mercer of Bowling Green, O., and Mr. Raymond R. Howe of the same place. The wedding was held in the South Church street home of the bride's parents, Mr. and Mrs. Robert Mercer. The ceremony was performed by Rev. Louis O. Mink, pastor of the Bowling Green Church of Christ at 7:30 on Saturday, May 19th.

The bride is a graduate of the Bowling Green State Normal College and was the first Editor-in-Chief of the Bee Gee News. For the past three years she has been teaching European History in the local High School. Mrs. Howe's Bee Gee College friends wish her no end of happiness in her married life.

What is understanding?—To go right on talking to the chaperons while you watch your girl smile at another man.

COUNTRY CLUB

FRESHMAN CLASS

E CLUB

ASS, 1922-23

DRAMA CLASS

The Drama Class is a group of students presenting the best of classical and modern plays. Two hours of credit per semester is given to the members of this class. Miss McCain directs the work of this group and under her direction this year has been a very successful one. The class has played "Little Women" by Marion de Forest, based on Miss Alcott's book; "The Dear Departed," "Come Out Of The Kitchen," by A. E. Thomas; "The Turtle Dove," a Chinese play by Margaret Scott Oliver; "The Admirable Crichton," by J. M. Barrie, and "The Famous Mrs. Fair," by James Forbes. This last play was given on May 31st. The cast was:

Jeffry Fair	John McDowell
Nancy Fair	Gertrude Fries
Alan Fair	Burton Dewese
Sylvia Fair	Kathryn Fast
Peggy Gibbs	Pearl Creighton
Angelica Brice	Isabel Layton
C. Dudley Gillette	Earl Lowrie
Mrs. Gilbert Wells	Ruth Harris
Mrs. Norman Wynne	Esther Murlin
Mrs. Leslie Converse	Esther Russell

GOLD MASK CLUB

Students who finish the entire course in dramatics may, if they so wish, be admitted to the Gold Mask Club.

The meetings are monthly and are held at the homes of Club members where modern plays, players and playwrights are studied.

The Club feature for this year was the presentation of Clyde Fitch's play, "The Truth" at the Del Mar Theatre on April 17, 1923, under the direction of Miss McCain and under the auspices of the Woman's Club of Bowling Green.

The officers for 1922-1923 are President, C. D. Fox; Secretary, Helen Shafer, and Treasurer, Rena Ladd.

HISTORY OF FRESHMAN CLASS

Early in the morning, on September 19, 1922, a group of small, trembling children entered the portals of Bowling Green College as Freshmen. With faint hearts we climbed the stairway and peered fearfully down the wide corridors. Once inside the buildings we were given a set of puzzles to solve consisting of the schedule of courses and classes. We then proceeded to find our class rooms. The cruel upper-classmen informed us we were Freshmen every time we looked into their class rooms, but we persevered in our search until we found rooms that were well supplied with minds as great and countenances as "green" and "fresh" as ours.

In a few days we were objects of ridicule. The initiation was a grand success, while the girls with hair in pig tails and boys with painted cheeks and coats turned inside out were the laughing stock of the upper classmen.

We soon learned the relative values of F's, D's, C's, B's and A's, which were of the utmost importance when they appeared on certain white cards ever so often.

The class of '26 has taken its share of the honors in Athletics and have taken a decided interest in all the activities of the college. The Freshmen Party, on January 20th, was one at which every one seemed to enjoy himself.

We have sought diligently after knowledge this year with the result that the Class of '26, declared by the sages to be the freshest and greenest in all school history, carried off its share of the A's and B's.

—Eulalie Hoffman, Secretary.

GOLD MASK CLUB

DEBATING TEAM

Two debates were held by the Varsity Debating Club this year under the direction of Prof. Carmicheal. The first one with Bluffton on March 22nd was on the question, "Resolved, that the U. S. should immediately enter the League of Nations." The local affirmative team won but the negative lost. For the first time only one judge was used in this debate. The second debate was with Michigan State Normal College of Ypsilanti on April 19th. The question was "Resolved, that a Parliamentary-Cabinet form of government based on the principles of the British system should be adopted by the United States, Constitutionality Conceded." Ypsi won both sides of this debate. These were the first losses ever sustained by the local school in men's debating. Bee Gee must expect to lose occasionally, however, just as any college does.

Next year this college will debate in the Ohio Intercollegiate Debating League which comprises some of the most formidable debating schools of the state.

The Varsity Debating Club comprises those students who have made their letters in debating. The award for making the debating team consists of a gold pin with a brown enamel D surrounded by the college name. The officers of the Varsity Debating Club are: H. K. Moore, president; John McDowell, vice-president; C. D. Fox, secretary; and Prof. Carmichael, treasurer.

BOOK AND MOTOR

Top Row—C. Premo, Grace Clark, Miss McCain, Helen Hobert, H. K. Moore, Prof. Beattie
Middle Row—Rena Ladd, Ruth Tressel, Dr. Williams, Inga Nielson, C. D. Fox
Bottom Row—Gertrude Fries, Kathryn Fast, Helen Urschel, Esther Russeil, Laura Oberlin, D'Arthur Bricker
Not in Picture—Prof. Biery, Miss Hayward, Prof. Overman

DEBATE TEAM

Top Row—H. K. Moore, Rev. Wilson, T. D. Bain, F. C. Hissong
Bottom Row—V. Sprague, C. F. Hissong, P. B. Huffman
Not in Picture—Lester Bower

BOOK AND MOTOR

The Honorary Society of Book and Motor consists of those students who not only have done well in class work but who also have contributed to the social life and activities of the college. There are also faculty members in this organization chosen by the membership on a similar basis. The object of this organization is to foster college spirit and to recognize merit in scholastic and social endeavor. The honor of election is awarded in the form of a gold key consisting of the college monogram surmounted by a book and motor.

The society this year has worked to increase the amount of the student loan fund. To do this refreshments were sold after the lecture course numbers.

The annual Book and Motor Banquet was held April 14. There were forty-seven members present of which over half were alumni.

Distinctions

What is wit?—That peculiar kind of talk that leads to misunderstanding and broken heads.

What is joy?—To find a C plus on a paper where you expected D.

WOMEN'S LEAGUE EXECUTIVE BOARD

Top Row—left to right—Rena Ladd, Inga Nielson, Christine Russell, Mildred Luke, Helen Young, Marjorie Cox

Bottom Row—left to right—Onnolee Hipp, Emily Benson, Margaret Williams, Pearl Creighton, Sophia Bice, Vera Seidner

WOMENS LEAGUE

We believe that the Women's League this year deserves special notice. Due to our better financial condition—thanks to the "Penny Fair" and the "White Elephant Sale"—we have been able to do some really worth while things.

The first thing we did this school year was to give a Reception for the incoming girls. This proved to be quite a success. Then later in the fall we were able to engage Miss Neville, Instructor at Scott High School, Toledo, Ohio, for a series of lectures to the Women students.

But the surprise is yet to come! We have had the means to accept an invitation to send delegates to Columbus to attend the meeting of the Middle Western Inter-collegiate Self-government Association, and we hope that not only the League but the whole college will receive much benefit from the information and enthusiasm brought back to us by the girls.

The new League officers are: Margaret Williams, President; Emily Benson, Vice-President; Pearl Creighton, Secretary-Treasurer, with three others: Onnolee Hipp, Elizabeth Hull and Ethel Crawford as delegates.

The officers for 1922-23 were Rena Ladd, President, Onnolee Hipp, Vice-President and Vera Seidner, Secretary-Treasurer.

HOME ECONOMICS CLUB

Probably not every one in this college is aware of the fact that such an organization as the Home Economics Club exists. Even though we are small in number we are mighty in power and have increased our membership more than two fold within the past year.

Meetings are held once a month, each trying to contribute something toward our betterment. There were interesting talks given to us by Dr. Kohl, Mrs. Byerman and Dr. Boyle at various times.

The members of this Club are full of "pep" and are willing to take an active part whenever the occasion arises. One of the big events of the year was the "Stunt Party." The refreshments were fine even though they were prepared by the Home Economics girls.

The officers for the past year were: President, La Rue Williams; Vice-President, Vera Seidner; Secretary-Treasurer, Marian Koleman.

COUNTRY LIFE CLUB

The Country Life Club has been meeting regularly every two weeks in the Auditorium. Good programs of music, readings, current events and discussions of phases of rural life are held. The social hour in the gym is always enjoyed. Not only is there round dancing during these social hours but also square dancing and games.

The officers of this Club are President, H. K. Moore; Vice-pres., Forrest Smith; Sec.-Treas., Adelyn Neipp; Chairman of Program Committee, Jay Bone; Chairman of Entertainment Committee, Frances Kurz; and Faculty Adviser, Prof. G. W. Beattie.

A. B. C. CLUB

The Athletic Boosters Club is composed of women students of the college who are interested in encouraging inter-collegiate athletics. The club has made money this year by selling sandwiches and pop-corn after the various games. The club now has enough money to enable them to invest in some kind of permanent equipment for the Athletic Association in the near future. The club also gave a "Victory Party" on October 14, a football banquet on November 24, and a "Kick-off Party" on the same date. The latter party is an annual affair. The officers are: President Suzanne Spearman; Vice-President, Emily Benson; Secretary-Treasurer, Betty Hull; Cheer Leader, Rena Ladd, and Faculty Adviser, Prof. Beyermann.

The A. B. C. Club is certainly a peppy bunch. The members are always on hand at every game supporting the teams by their encouragement and their cheers.

An athletic team always plays much better when supported by the student body and in this respect the A. B. C. Club has done good work. There is not a more energetic bunch in school as is proven by their record for this year.

THE COLLEGE

Just look over this issue and see the notices of the various and sundry organizations.

It's a sure thing every student can find a student activity outside the class room that will offer him an opportunity for pleasure and improvement.

Special efforts are made by the city churches to care for the spiritual

and social welfare of students in Sunday school, church and social gathering church parlors. Good board and rooms are very reasonable at the Williams Hall, Dean Dormitory, Wood House and many private homes in the city; there is also a generous supply of very good restaurants.

The students are as earnest, ambitious and conscientious a group of young women and men as one can find anywhere.

Most of the students are preparing for teaching and the courses are the two (2) year diploma courses in Agriculture, Commercial Education, Elementary Education, Home Economics, Industrial Arts and Music.

Elementary Education trains one for teaching in the elementary school grades, 1 to 8 inclusive; a diploma permits you to teach in any elementary school in Ohio without examination.

The special courses, Home Economics, Industrial Arts, Music, etc., trains for teaching these special subjects only and the holders of special certificates may teach their subject in Ohio without examination.

There are special programs offered in Engineering, Commerce, Journalism, Law and Medicine. These are two year courses, so correlated that a student wishing to specialize in any of these subjects may study two years at B. G., transfer his credits and complete his four years course with two years more work in professional institutions of their line.

The four year courses are Agriculture and Science, English and Latin, History and English, Home Economics, Industrial Arts, Mathematics and Science and last but not least Supervision.

"By their fruits ye shall know them." B. G. S. N. C. people are making good.

FOOTBALL TEAM

Top Row—left to right—Etol, Lake, (Mgr.), Hesrick, Moscoe, Slotterbeck, Davidson, Filiere, Castner, Kennedy
 Second Row—left to right—Younkin, Wittmer, Fuller, Smith, Ostrander, Crowley, Skibbie.
 Bottom Row—left to right—McMan, Bachman, Ryder, Coach Snyder, Capt. Raberding, Leiter, Sergeant, Pilcher

ATHLETICS

FOOTBALL

With a new coach on the field, in the person of Allen W. Snyder, Bowling Green's football team was face to face with her fourth season on the grid iron. Being a stranger and not acquainted with his material it took Coach Snyder two weeks to get his men lined up as he wished to place them. During this time the team lost two games, the first at Ohio Northern 27 to 0 and against a weak Adrian College eleven on an accidental play, 7 to 0.

After that the men settled down to work and played as a unit defeating Findlay 26 to 0; Defiance 22 to 0; Huntington 38 to 7; and Kent 7 to 0. Toledo U. was played to a 6 to 6 tie on the first annual Home-Coming Day, thus winning the Conference Championship.

The team was exceptional being composed of good hard working men who caused quite a furor in the conference when they defeated the big

Defiance eleven. Skibbie, Castner, Kennedy, Younkin, Leiter, Etol, Bachman, Hesrick, McMan, Capt. Raberding and Ryder received letters while Moscoe, Davidson, Hoskinson, Fuller and Ostrander deserve good mention for their efforts to make the team a success.

BASKETBALL

The greatest and largest array of candidates for basketball in the history of the college reported to Coach Snyder early in the winter and the little mentor had an extremely difficult task of weeding out and cutting down his squad.

Finally the lineup for Toledo U brought out a quintet all of whom were forwards. Skibbie and Hesrick were the guards, Capt. Bachman center and Moscoe and Premo forwards. This combination went through the most successful season in the college's history, winning 9 and losing 4 contests. The team lost a chance at undisputed championship when it lost to Bluffton and was forced into a tie with Defiance. Letter men were Moscoe, Premo, Hesrick, Skibbie and Capt. Bachman. Men who deserve recognition for their hard work are Etol, Hillard, Kennedy and Olds.

TENNIS

Walsh and Premo were the representatives of the college in the men's tennis team while Fries, Stannard and Boyd was the girl's combination. These people were playing hard during the season and although they did not win in every case they were always fighting and were teams that the school was proud of.

BASKETBALL TEAM

Top Row—Mgr. Lake, Skibbie, Hesrick, Olds, Hillard, Coach Snyder
 Bottom Row—Premo, Etol, Capt. Bachman, Kennedy, Moscoe

BASEBALL

The team started off for a great season behind Capt. Earl Wittmer and won from Findlay 13 to 5 and defeated Bluffton in a no-hit, no-run affair 6 to 0, but then Wittmer foolishly played a game of Sunday baseball and Figgins was declared ineligible. This took the starch out of the team and they lost to T. U. 7 to 3 because of errors.

It is hard to tell just how the Conference race will end now because of the weakened condition of the varsity, but the team is a fighting one and will represent the school in the best way they can. Hesrick, Roe, Stover, Bachman, Raberding, F. Hissong, C. Hissong, Lowrie, Skibbie, Berry, Bechtel, and Fox were the men who made the team this year.

TRACK

Prof. F. G. Beyermann developed the group of men who were out for the track and although there were but few men out they proved that they had the stuff in them and worked hard to do their best. This was the first track team in the history of the college and represented Bee Gee's entrance into this line of athletic activity.

Although there were only five men on the team, all of whom were new men the college took third place in the Bluffton Track Meet. With a large entry, such as there will be next year, it would have been possible to have placed higher in this meet without a doubt.

The development of track will go hand in hand with the increased number of boys who come here to college. If over two hundred boys come to B. G. N. C. next year there should be a track team that will place high in any meet of the calibre of this year's.

TRACK TEAM

NEXT YEAR'S ATHLETICS

Bowling Green's standing in athletics has unquestionably been raised again this last year and has been placed on a better financial basis than ever. But to see the outlook of 1923-24 it seems to be even brighter.

To begin with a statement, that already equipment has been ordered which will take care of at least forty football candidates, will show the rapid advance being made. Basketball, baseball and track athletes will be taken care of equally as well.

Next football season will see eleven better men fighting to hold their places against men who have already proven their worth in high school and who will work hard to make the Bee Gee Team. Bob Younkin, star center, will be captain.

A hard schedule, in fact the hardest in the history of the college has been arranged, including Ohio Northern, Heidelberg, Adrian, Findlay, Defiance, Toledo, Ashland and Baldwin-Wallace has been arranged.

The Basketball outlook is better than it has ever been, with the entire squad expected to return. Premo was elected captain and will even have a hard time to keep his position on the team, because of the wealth of valuable new material which is already known will be in college.

This year's track team was the first for the college, but should be far better next year when several dual meets will be arranged. The Baseball team will again be a fast aggregation and will hold up the record of the college.

Varsity N

Standing—left to right—Moscoe, Castner, Hesrick, Lowrie, Roe, Raberding, Pollock, Smith, Lake, Ryder, Moore
Seated—left to right—Fox, Kennedy, Fuller, Hoskinson, Etoll, Premo

Varsity N.

The Varsity N is composed of those men who have been publicly presented with the Bee Gee College N in any sport. The object of this organization is the fostering of college spirit in regard to athletics and the encouragement of the spirit of fair play and good sportsmanship in the athletic teams.

The officers are: President, Clement Premo; Vice-President, Earl Leiter; and Secretary-Treasurer, M. G. Hoskinson.

Next Year

Next year should be the best year the college has ever had in Athletics. A large number of Varsity men are returning in every sport and with the new spirit of college first B. G. N. C. has a good chance to win the Conference championship in every sport.

From all reports a large number of high school athletes are planning to attend this college next fall. This will augment the numbers out for the teams and will make for a higher athletic standard.

Girls' Games

There is provision for the girls in several lines of athletic activity. Last winter a girls' basketball tournament was held. A picture of the winning team may be seen on one of the snap-shot pages. The girls' gym classes also play baseball while the tennis courts are constantly being used by gym classes and others for tennis.

Lake, Ivan E., "Doc", "Ike"
Bowling Green, O.

Degree in History and English—(July) 1923.

Ivan has been a very busy man. He is a real for sure booster, always glad to help his college. Just to see how versatile he is note the following record of activities: Editor-in-chief Bee Gee News Summer 3; Athletic Editor 3, 4; Reporter 2; Win One Club President 2, 3, 4; Varsity N; Football Squad 1, 2; Tennis 1; Manager Football 3, 4; Manager Basketball 3, 4; Manager Baseball 2; Manager N. W. O. H. School Basketball Tourney 4; Yell Leader 1, 2, 3, 4; Varsity Male Quartet (Mgr.) 2, 3, 4; May Music Festival, '18, '19, 1, 2, 3; Philharmonic Club 2; Varsity Debate Society, Debate Team 1; Gold Mask Club; Wilsonian Literary Society President 2, 4; Country Life Club, Treasurer 4, Vice-President 2; Ye Olde Five Brothers Fraternity, Dramatics 1, 2, 4; Men's Chorus 4.

The Bee Gee News will miss the able reports of our Athletic Editor. Tho Ivan writes well and studies hard his strongest point is genuine college spirit. So "Doc" or "Ike" is a prominent man in college. The Bee Gee News feels we are to hear often and favorably from our optimist, Ivan E. Lake.

She—"I'm afraid, Don, that I'll never see you in heaven."
He—"Great guns, what have you been doing now?"

SEE MORE CLUB

Standing—left to right—Smith, Mansfield, Stohl, Raberding, Hoskinson, Doren, Lowrie, England, Hummel, Brannon, Smith, Davidson, Castner
Second Row Seated—left to right—Ladd, Barnhill, Bain, Housley, Ryder, Lindsey
Seated on Floor—left to right—Bone, Good, Pollock, Fuller, Moore.

SEE MORE CLUB

This men's organization was formed during the early years of the college. This year its activities have been especially pleasurable and profitable. This club staged a quiet dancing party in the college gym on March 17. About one hundred and seventy-five members, alumni, neophytes, faculty and special guests enjoyed this evening. The men will hold their fourth annual picnic at Vollmars on June 9. The officers are: President, Dollen Bain; Vice-President, M. G. Hoskinson; and Secreary-Treasurer, Earl Leiter.

GYM CLASS GAMES

There have been gym class contests in every sport under the direction of Prof. Beyermann. These contests, while not up to the varsity in quality, yet give the men who do not make the varsity, or who are not able to try for the varsity, a good chance to learn the fundamentals of every sport.

Last fall one gym class called the Snails played a tie football game with a gym class called the Lobsters. The varsity basketball contests were nearly always preceded by a gym class preliminary. The gym classes also played a number of baseball contests.

FIVE BROTHERS

The Olde Five Brothers was organized but recently in the college and has been a big factor in the activities of the college. Early in the fall the initiation of the "6 Bros." caused much comment on the campus. There are men from the Five Brothers in almost every phase of college work and they stick to the slogan "College first, Fraternity second." Every man is a good scout and the boys believe that there never was a bunch of brothers that could beat the 5 Bros. Officers for the year were: Olde President, M. G. Hoskinson; Olde Vice, Earl Lowrie; Olde Scribe, C. D. Fox; Olde Miser, C. C. Premo; Olde T. K., Earl Wittmer; Olde Pouncer, Carl Bachman; Olde Chaplin, O. R. Raberding; Olde Designer, D'Arthur Bricker; Olde Editor, I. E. Lake; Olde G. A. P. Donnal Smith; Olde G. A. W. F. G. Skibbie; Olde G. A. K. Ernst Etoll. Other members are Merwyn Nelson, Homer Moscoe, Carlyle Kennedy, Thomas Crowley, Allen Bechtel, Ralph Castner, Robert Slotterback, Sanford Gorsuch, Robert Younkin, and Lester Bowers. You can always recognize them by the skull and crossbones.

Prof.—"Sick yesterday, eh? But how is it that I met you running down the street?"

Stude—"Oh, that was when I was going for the doctor."

GRAND SOCIETY OF HOKUS POKUS

The Grand Society of Hokus Pokus exists in the first place for fun, in the second place for fun and in all the places for fun. Meetings are held in the rooms over Burkett's Grocery in the Society Grand Mosque. At this time mysterious discussions take place and mysterious ceremonies are held. The most mysterious thing of all about the meeting, however, is how so many hot dog sandwiches and so much black coffee disappear from view. The Grand Officers of this society are: Grand Chief Hokum, Kent Moore; Grand Vice Hokum, Bob Orwig; Grand Scribbling Hokum, Dude Fuller, Grand Miserly Hokum, Lu Haus; Grand Dark Hokum, Clair Smith; Grand Strong Hokum, Paul England; Grand Hungry Hokum, Les Figgins; and Grand Blushing Hokum, Roy Mansfield.

What is knowledge?—To have a back seat in a near-sighted prof's class.

Marie Antoinette—"Why should I worry my head off about food? I'll get a chop in the morning."

Father says he is tired of working his son's way thru college.

THE KINDERGARTEN

Last September the College opened the Kindergarten as a part of the training school. This plan had been under consideration for several years, and when the new training school building was planned special provision was made for a kindergarten room.

It is a sunny room on the east side of the building, equipped with materials which are especially interesting and attractive to little children.

In the kindergarten the largest opportunity is for social and moral development thru individual play and freely formed group play, as well as thru teacher formed groups and directed play and work.

During the periods when the children choose what they wish to do, how they wish to do it, and with whom, the social adjustments are real life situations. Individual self-direction, social leading and following, and co-operation are developed.

The directed work and play give the child models of handwork, rythm, music, and the like, which he would not have been able to evolve by himself, and furnishing him with ideas which may form the incentives and bases for the work during the free periods.

Both kinds of periods develop the imagination, judgment, reasoning, and self-reliance, and lead the child to sustain his efforts over periods of time gradually increasing in length.

The kindergarten curriculum is very similar to that of the primary grades. Beginnings are made in language, literature, music, rhythm, games, handwork (including fine and industrial arts), history, nature study and arithmetic. The important additions in the primary grades are of course reading and writing.

There are about twenty-five cities and towns in Ohio that now have public school kindergartens, employing about five hundred and seventy teachers, and we are sure the number will grow as we are able to prove to the parents, superintendents and teachers the value of the kindergarten to the child.

AGRICULTURE AND SCIENCE

Many young men of the country, with a high school education find they are not quite sure which way to turn for the next move. Their love for the country holds true to instinct and tradition, yet satisfactory openings in the country do not present themselves for these young men and others who like the open country, its ways, work, pleasure, etc. B. G. S. N. C. offers a four-years' course in Agriculture and Science that should make a strong appeal to many young men. The course is a teachers' course for high school work. Major 31 semester hours in Agriculture. Minor in Science.

The subjects taken in the Agriculture and Science course equip the student for teaching Agriculture in high school includes sufficient Science to teach High School Science. The Mathematics required cover the high school course sufficiently well for all cases, save special Mathematical courses, and Industrial Arts courses in wood work, farm mechanics, blacksmithing, drawing and concrete are included in the four-year Agriculture and Science requirements.

The usual English, Education, History and Practice Training, required of all students in any four year course where these subjects are not the student's major.

This course is a good job getter, carries the degree, B. S. in Education and meets requirements for H. S. Agriculture, save Smith-Hughes positions. Our graduates are making good.

Bowling Green is in a rich diversified farming district. Our students have easy access to successful farms, both grain and live stock. Many feeders handy and our Holstein-Fliersian and Jersey breeders are live wires.

RECORD-BREAKING NIAGARA TRIP

Judging from the unusual interest, at this early date, in the summer Niagara trip, it is highly probable that all previous records will be broken—in the number going. In previous years the personnel of the travel family consisted almost entirely of the teachers attending the big mid-summer term. This year, however, a large number of the students here during the regular school year have also expressed a desire to be included in this highly instructive trip.

These service trips are in no way exclusive but are planned for the benefit of all earnest teachers, and others interested in educational travel; and those here at present can do a good turn to other teachers by passing on this announcement.

Definite information regarding time, sale of tickets, etc., will be sent out later to all who give in their names and addresses before the close of the present term. **Do it now.**

On account of the **very large number** desirous of going this year, it may be necessary to limit the size of the party.

Also, to insure the reservations of enough staterooms our party reservations must be made a long time in advance, for lake travel this season is likely to be unusually heavy.

If you have not already given in your name and address—or that of any other person that you know is planning to go, do so at once. Some are going to be disappointed this year if they put off making reservations, for a trip of this magnitude cannot be run on 11th hour requests for reservations.

Important educational features will be added this year; and the expense reduced to the lowest possible limit. Hand in your name and address to Mr. Holt, of the Geography Department.

Miss Eddies, in restaurant: "Why do you bring me this same potato day after day?"
"Well Miss, you never eat it."

EMERSON CHAPEL ON FOLK SONGS

The Emerson Literary Society put on one of the best Chapel programs of the year, on May 22nd. The topic was the Folk Songs of the different countries. Members of the society gave short talks on the folk songs of the various countries and these were illustrated by people from the Music Department. The program was:

- 1—The Latin Folk Song..... Ruth Harris
Latin Song College Male Quartet
- 2—Italian, Spanish and French Folk Songs
..... Jonathan Ladd
Spanish Song Helen Urschel
Neapolitan Serenade Ramon Current
French Song Kathryn Fast
- 3—German and Scandinavian Folk Songs
..... Ruth Tressel
German Song Clement Premo
Scandinavian Song Frances Buerstrom
- 4—English, Irish, Scotch and American Folk
Songs Vernon Sprague
Irish Song Estell Mohr
Scotch Duet and Highland Fling
..... La Rue Williams and Vera Seidner
English Song College Male Quartet
Negro Melody Estell Mohr

Guest: "I suppose your son broke himself down at college football?"

Proud Father: "No, the doctor said what gave him nervous prostrations was trying to get his lessons between games."

At the annual prize day of a certain school the head boy rose to give his recitation: "Friends, Romans, countrymen," he vociferated, "Lend me your ear."

"There!" commented the mother of a defeated pupil, sneeringly, "That's Mrs. Bigg's boy! He wouldn't be his mother's boy if he didn't want to borrow something."

(In History) "Did the news of the Battle of Lexington and Concord reach the Southern colonies the day after the battle?"

Rudolph Stapleton: "No sir, there weren't as many women in those days as there are now."

"Did you and Laura have a good time on your vacation?"

"What do you mean? I haven't seen Laura for three weeks?"

"Why she said that you and she were at Dagger's Point for three weeks."

She kissed him fondly.

"Speak to me," she said, but there was no reply.

She drew closer to him, gently smoothing his curly hair.

"Wont you speak," she begged, as if it meant her last dime.

He could resist no longer, "Bow-wow," he replied.

I hear that you and your girl had an awful fight.

Yep, she said I was all the world to her one night—

Yes, go on—

And I asked her to get off the earth a minute while I rested my knee.

He—"How do you get such a rosy complexion?"

She—"By riding the bicycle every morning."

He—"Do you live that far from the drug store?"

Professor in College Inn: "Waiter, what is that smell of fresh paint around here?"

"If you'll wait just a minute, sir, those two young ladies will be going in just a minute, sir."

Kent Moore: "When I was a boy me father said to me "Kent, learn to cut your finger nails with your left hand for some day you may lose yer right one."

Student: "Did you ever get a proposal, Elizabeth?"

Elizabeth: "Once, a gentleman proposed to me over the telephone but he had the wrong number."

Miss Hipp: "I'm just crazy to be an actress. What's the height of your ambition?"

Laura Oberlin: "Oh, he's about six feet."

"Really, I don't see anything in kissing."
"I close my eyes too."

Rudy: "Oh, Professor, how can I ever thank you? I owe everything I know to you."
Prof: "Please do not mention such a trifle."

Prof: "Does the question bother you?"
Rachel: "Not in the least; it's the answer that bothers me."

Mrs. —"Girls, can't you refrain from spending your money so foolishly?"
Mary Calderwood: "Yes, get a date."

Prof. Wagner: "All's well that ends well but a fellow doesn't want to forget that he has to start."

There is just two ways to get along in this world, one is to keep going and the other is not to stop."—Joseph Blackburn.

Teacher: "Your answer is about as clear as mud."
Pupil: "Well, that covers the ground, doesn't it?"

The Quarterback's Plea
After the game is over,
After the field is clear,
Straighten my nose and my shoulder
And help me find my ear.

Teacher to small boy: "And do you always stutter like that?"
Pupil: "Oh, no—n—no, Sir—only w—w—when I t-t-t-talk."

"It's twenty minutes to one and I've been waiting here since a quarter to twelve."
"What time did he say he would meet you?"
"Ten minutes to eleven, sharp."

He that wisheth to rise with the sun should not stay up late with the daughter.
